

# Certified Personal Trainer Job Description

## Position Overview

Samena Swim & Recreation Club seeks a highly-motivated, energetic, & personable Certified Personal Trainer to join our team. This position is part-time with significant growth opportunity in hours, earnings, & responsibilities for a success-driven, long-term employee. The primary duty is to actively acquire & retain personal training clients from within our membership base; also teach select Group Fitness Classes, & assist with other fitness department duties & periodic club activities.

This person must be able to work independently & as a team-player, & adapt effectively in a dynamic setting. Our most successful trainers are assertive & innovative in building strong working relationships with members, & seek to increase hours as they increase clients. Our commission has lucrative earning potential, with additional pay for other duties. This job is both challenging & fun.

## Qualifications

- Strong interpersonal skills to approach & talk to new people & potential clients.
- Current or in-process Personal Training Certification; Fitness Experience preferred.
- Skill designing & implementing safe, effective, fun workouts for all ages & abilities.
- Flexible Schedule; Desires a mix of morning & evening shifts, & some weekends.
- Ability to proactively communicate issues or concerns & be solution-oriented.
- Excellent verbal & written communication; Experience using Microsoft Office.
- Keeps current on relevant Fitness trends.

## About Samena

Samena Club is a unique, multi-faceted, family-friendly facility that has brought health & wellness to the greater Bellevue area for 58 years. With an environment different from traditional health clubs, Samena's social community of all ages & fitness levels fosters longevity in membership & employment. Free Club Membership included for Trainer & a companion.
