Dear Samena Members;

Safety continues to be our top priority as we implement our phased re-opening plan. To ensure the health of our members and team, we have created a new schedule with limited capacities to ensure social distancing requirements and provide time to clean and sanitize between activities/sessions. All

members are required to stop and check-in for their specific activity at the front desk upon entering the club. Members will also be asked to complete a health screening upon entering the facility, to wear a mask/face-covering while in the building, and to adhere to social distancing.

Thank you for your patience, support, and loyalty during this time. You are what makes the Samena community amazing!

Take care;
