

May 30<sup>th</sup>, 2020

Hello Samena!

One of the things I have been missing most lately is face-to-face interaction with you, a brief check-in, a jovial exchange, even just a smile. One day soon we will be able to have these conversations in person. Until then, please feel free to reach out [via email](#) and let us know how you are doing. I would love to hear from you.

Yesterday Governor Inslee announced that the Stay at Home order will be expiring on Sunday May 31<sup>st</sup> at midnight and the State and King County will launch the Safe Start Recovery Plan. This is a sign we are moving in the right direction and a signal to a clearer timeline for our re-opening. I know I speak for the entire staff; we are eagerly anticipating being able to safely welcome you back to Club.

On May 19<sup>th</sup>, the [Governor released guidance regarding resuming certain fitness and training activities under Phase 2](#). The staff have been digging into the details of the requirements and we are now finalizing our phased re-opening plan. We are in a great position to be able to offer limited fitness options when King County is approved for Phase 2.

As we approach June, we are also pivoting toward summer planning. This includes modifications to childcare, summer camps, and Club programming so that we may accommodate as many members as possible in the safest environment.

On June 22<sup>nd</sup>, our childcare program will transition to our summer camp format. As businesses begin to reopen, we recognize that there will be an ongoing need for childcare. Samena continues to follow the CDC and Washington State Department of Health guidelines for childcare and summer camps, accordingly our summer camp capacity will be limited, and group size reduced. As of May 26<sup>th</sup>, we closed our summer camp registration to non-members to allow members priority access to the limited number of available spots. Until June 8th, registration will only be open to members. Any remaining spots will be open to the community on the morning of June 9<sup>th</sup>.

Based on current guidance and timelines, we anticipate limited operation by mid-June. We want to continue to be sensitive to the needs and desires of our members by again providing you with the following options for June billing:

1. Continue your normal monthly dues for June and become or maintain your Supporting Member status. In return for your continued support and as a show of gratitude, we are offering a 10-pack of guest passes (\$70 value), a FREE month of fitness inclusive, or \$50 in Club Bucks.
2. Choose your value: Let us know an amount you would like to pay each month to support the Club and the programming that our staff are providing for the months of June.
3. Freeze your membership for the month of June and we will waive the \$25 freeze fee.

We will delay billing until June 10<sup>th</sup>. Please let us know by replying to this email by June 8<sup>th</sup> in order us to have time to process your request before billing. Thank you for your continued support and encouragement. We really are #bettertogether!

Be Well;
