Group Swim Lessons Reopening

We are excited to relaunch our Swim lesson Program. Learning to swim is an invaluable life skill. While our lessons may look different than the past, we are doing everything we can to create a meaningful experience for our participants. We are introducing lessons in the Wading Pool as a way for younger swimmers to feel comfortable and safe as they return to lessons in shallow water.

Safety is our top priority as we begin our staged re-opening. To ensure the health of our members and team, we have created a new schedule of set classes with limited capacities to ensure social distancing requirements and provide time to clean and sanitize between activities/sessions. As part of the Club's ongoing safety plan, things will look a little different. All members will be asked to complete a health self-screening upon entering the facility, to wear a mask/face-covering while in the building, and to adhere to social distancing. In addition to our new Swim Lesson registration process we have instituted enhanced cleaning procedures and clear designations for social distancing. We are beyond excited to begin to welcome you back to the Club.

- Pre-session screening: Each client will read and agree to the pre-session screening as found at the front entrance to the club. Please arrive early enough to ensure time for check-in at the Front Desk before class.
- Each Member/participant will sign a waiver of consent and commitment to the facility's reopening policies prior to their scheduled appointment time.
- Drop off is highly encouraged for swimmers 10 years & older: One parent/family member/guardian may accompany a swimmer to the pool deck.
- Social distancing guidelines of at least six feet must be maintained to the greatest extent possible at all times.
- Members are strongly encouraged to arrive in their swim attire, ready to get into the pool as locker rooms/showers are not available for use. An outdoor shower is available for use on each pool deck, along with changing cabanas on the Indoor Pool deck.
- Swimmers should have their own gear. Goggles and swim caps will be available for purchase at the front desk.
- Swimmers will be asked to enter the pool deck through the locker rooms and the door off the hallway. On the first day of please wait in the designated area indicated for their class. Please The instructor will then call the swimmer to the water.
- Members/participants are asked to leave the facility immediately after their swim lesson to eliminate congestion/gathering. Swimmers are asked to follow the designated exit signs when leaving to avoid contact with others.

Lesson Safety Protocols:

- Class capacity and number of classes being offered has been greatly reduced to enable increased spacing for the students in the water.
- All instructors will be wearing masks/face-coverings.
- Instructors will enforce increased distancing between students throughout the lesson.
- Instructors will be limiting hands-on instruction where at all possible.
- Preschool beginner classes (Guppy, P1, P2) will be held in the Wading Pool to allow swimmers the ability to explore the water at a safe depth.

Other procedures to be aware of

1. No in-facility childcare services will be available.
2. The following areas will be closed: Showers, saunas, and steam rooms. Locker room use will be limited use for handwashing and restrooms only or avoided if possible.
3. Face masks are required while not in the pool.
4. Lessons are not allowed if a participant has been diagnosed with COVID-19 and is still within the required 14-day quarantine period, have symptoms of COVID-19, or had contact with a person that has or is suspected to have COVID-19 within the last 14 days.
