

As of October 29, 2020

Limited Family Swim

On October 9th guidance was released to allow us to resume family/open style swims with certain limitations. The Club will open the reservation system immediately for family swim reservations.

In accordance with the guidance from [COVID-19 Prevention Guidance and Reopening of Water Recreation Facilities in Phases](#) put out by the Washington State Department of Health the Samena Club will be opening the indoor pool for a limited number of family swim reservations. Family swims will start November 6th, 2020. Family Swim times will be limited to Fridays from 7-8:45pm and Saturday/Sundays 12-1:45pm and 2-3:45pm. Samena will utilize on-line, in App, and phone-in reservation systems to make reservations to limit in person interactions. Reservations are required.

Transactions at this time will be limited to credit card only to eliminate the handling of cash.

All members will be required to sign a waiver of consent and commitment to the facility's reopening policies.

Safety is our top priority as we continue our staged re-opening. To ensure the health of our members and team, we have created a new schedule that limits capacities to ensure social distancing requirements and provides time to clean and sanitize between activities/sessions. As part of the Club's ongoing safety plan, things will look a little different. All members will be asked to complete a health screening upon entering the facility, to wear a mask/face-covering while in the building, and to adhere to social distancing. In addition to our online reservation/registration process we have instituted enhanced cleaning procedures, and clear designations for social distancing. We are beyond excited to begin to welcome you back to the Club.

Family Swim

1. During phase 2 of the state's Safe Start plan, reservations will be required for all activities.
2. Family swims will have a capacity of 15 swimmers. Each household is allowed up to 5 swimmers.
3. Reservations will be 1 hour 45 minutes in length with 15 minutes to clean and sanitize before the next reservation.
4. Reservations will begin at the top of each hour to allow staggered time between other activities in the outdoor pool and throughout the club.
5. When reserving you must choose a slot based on how many swimmers you are bringing. I.E. if you have 4 swimmers coming you must reserve a 4-5 person slot. We cannot allow any extra swimmers into the pool.
6. At the beginning of each reservation session swimmers will wait in the designated social distant waiting area until the Lifeguard delivers the safety briefing and directs them to the water.

7. Reservations may be made for one spot per day, up to 7 days in advance – reservations are required. [Out of a courtesy to other members we ask that you cancel as far in advance as possible to allow us to serve as many members as possible.]
8. Your 1 hour 45-minute reservation can include time in the hot tub. Please note there is a limit of 4 people max for the hot tub and will be available on a first come first served basis. Masks are required in the hot tub.
9. Members are required to sign a waiver of consent and commitment to the facility's reopening policies prior to their reservation.
10. We ask that members come to the club ready to swim in order to reduce traffic in our locker rooms. Locker rooms with bathrooms, showers, and lockers are available during your reservation.
11. Members are required to bring their own water bottles, towels, play toys, and aquatic fitness equipment. Water bottle refilling stations will be available, but no drinking fountains, towel service or aquatic equipment such as kickboards, pull buoys, or lifejackets will be provided.
12. Social distancing guidelines of at least six feet of separation must be maintained by every household group in the Club at all times including in the water.
13. Members are asked to leave the pool area immediately after their reservation to eliminate congestion/gathering.
14. Members are asked to leave the facility within 15 minutes of the end of their session to eliminate congestion/gathering

Other procedures to be aware of

1. No in-facility childcare services will be available.
2. The following areas will be closed: Adult locker rooms and Saunas
3. Masks are required for members at all times while not in the water and indoors.
4. Masks are highly encouraged outdoors at all times while not in the water and required when 6 feet social distancing cannot be maintained while not in the water.
5. Please check in at the front desk for each visit and get your capacity control bracelet. Return the bracelet to the marked bin as you exit.
6. Reservations are not allowed if a participant has been diagnosed with COVID-19 and is still within the required 14-day quarantine period, have symptoms of COVID-19, or had contact with a person that has or is suspected to have COVID-19 within the last 14 days.
7. During this phase we are only open to members there will be no guest passes sold/redeemed.
