

**January 8, 2021**

Dear Samena Members,

Great news! Beginning Monday, January 11, 2021, our fitness center will reopen for member use. New state guidelines will allow us to offer one [1] 45-minute reservation per individual, per day, made in advance. In accordance with the new guidelines, we require face masks/face-covering and social distancing at all times [even during strenuous exercise].

Safety is our top priority as we again begin our staged re-opening. To ensure the health of our members and team, we have created a new, full-day schedule with limited capacities to ensure social distancing requirements and provide time to clean and sanitize between activities/sessions.

As part of the Club's ongoing safety plan, things will look a little different. All members will be asked to complete a health screening upon entering the facility, to wear a face mask/face-covering while in the building and AT ALL TIMES DURING ALL FORMS OF EXERCISE INCLUDING STRENUOUS ACTIVITY, and to adhere to social distancing. In addition to our online reservation/registration process, we have instituted contactless check-in, enhanced cleaning procedures, and clear designations for social distancing.
