

Dear Members;

What a wild and unprecedented year! At times it has felt like the longest year ever and at times it seems to have flown right by and 2020 has certainly been a year like no other. It's been unpredictable, exhausting and trying in many ways and yet it has also been full of positivity and encouragement. I can honestly say if it wasn't for the continued support of our Samena community we would not have been able to pivot time and time again in order to keep our doors open.

In reflection on this last day of 2020, I am grateful for so many things. First and foremost, I am grateful for the amazing Samena staff. They worked tirelessly to adjust our operations to safely serve our members. They have been inspirational in their ability to change directions and think out of the box for solutions to extraordinary issues and circumstances; Samena truly has the best staff! You know what else Samena has the best of, members! Our members have shown us support when we were forced to close our doors and you have been patient as we had to adjust our entire operations. When we re-opened you provided positive feedback and sincere appreciation of our efforts. You sent unprompted notes of encouragement that made us want to work harder for our members. And in a year that pushed us all beyond our sense of normal you have shown us grace which has been the greatest gift this year.

Once again, thank you for your continued support.  
Looking forward to 2021 with our Samena Community!

#BetterTogether
