

May 4, 2021

Hello Samena Families,

Thank you for your patience as we waited to hear on a possible phase change for King County from the Governor's Office. The Governor confirmed today that there will be a 'two week pause' in phase evaluations. This means that King County is staying in Phase 3 for now!

After listening to feedback from our members, and the continued difficulty in booking swim reservations, we have decided to make ALL aquatic reservations 1 hour with a fifteen-minute break between sessions. This gap not only allows our staff to clean but allows members to get in and out of the locker rooms, and the club as a whole, without encountering large crowds. Other than this, our reservation system will remain unchanged. Members will still need to refer to the pool schedule to see what is available during mixed use times. Shared lanes will still be limited to three people and social distancing is still required anytime except passing during lap swim.

For those members looking for a swim longer than 1 hour, we have created two times during the week where there is no 15-minute gap between sessions (M-F 9-11am and 8-10pm). Members can book two reservations back-to-back (i.e. 9-10am and 10-11am), and be able to swim without a break.

Our Fitness Center reservations will remain at 90 minutes and the capacity will remain unchanged. The schedule we are releasing today will run through May 31<sup>st</sup>. We will release one more schedule before summer from June 1<sup>st</sup> to June 20<sup>th</sup> due to program schedule changes.

Please see here for the updated [Pool Schedule](#).
