

June 11, 2021

Hello Members!

We hope you are as excited for Summer as we are! First, we come bearing good news. The indoor pool repair has been completed, and it is reheating as we type. It will be reopening today, and space will open online shortly. There are also a lot of pool schedule changes happening when we transition to our summer schedule, and we wanted to be sure everyone had time to explore the schedule before we make the switch on Monday June 21.

During lap swim only times, reservations will still be required, and we will be limiting swimmers to 4 per lane. Just like current lap swim reservations, you are reserving for the time frame, not a specific lane or specific pool. During lap swim only times, we will continue to have an immunocompromised lane in both our indoor and outdoor pool set up as a separate reservation. With the summer schedule we will also be bringing back adult lap swim in the indoor and outdoor pools from 12:05-1pm Monday to Friday.

Lap Swim reservations will change to 55-minutes starting on June 21 to allow for an additional time frame in the mornings before programs start. Reservations will look a little confusing next week as we must have both options active until June 21. When you are making reservations next week for June 21 and after, please select the 55-minute Duration.

During mixed use times, reservations will no longer be required. By utilizing the majority of our outdoor pool area for open swim, our capacity expands to 198 people. This will allow members to stay as long as they like until the end of mixed-use time. Please check the pool schedule to make sure that what you want to do, from lap swim to open swim, is available. There will be closures for club programming throughout the mixed-use times.

We will also remove reservations for our fitness center and wading pool. The wading pool will be open during all mixed-use times with the exception of 3:30-4pm M/W/F and 3:30-7:30pm on T/Th. Playground reservations will continue to be necessary for now.

Finally, we want to remind you that the outdoor pool area, including the deck, will be closed on Tuesdays and Thursdays from 4:30 to about 7:30pm for swim meets, through July 22. During this time, only the indoor pool area will be available.

We hope to see you soon!

Thank you,
Samena Club
