

July 15, 2021

Hello Samena Families!

Summer at Samena has been off to a great start and we have been excited to see so many of our members enjoying the facility. We appreciate your patience and understanding as we transitioned to our "Start of Summer" schedule.

With the end of summer swim team and the return of much of our morning and daytime lap swim times, we are excited to announce the end of appointments for lap swim starting Monday, July 26 ([July 26 – August 29 Pool Schedule](#)). This gives you more lap swim time and the possibility for longer workouts. Please remember, lap swimmers should circle swim when sharing lanes and enter lanes with similar speed swimmers to keep everyone swimming smoothly.

Samena will continue to offer one reserved lane in the indoor and outdoor pools during lap swim-only times. These lanes will continue to be appointment-based and in 55-minute increments. We ask all of our members to remember that there are fellow members who truly need these lanes in order to recreate safely; if you or your family are not immunocompromised or do not require lane 1 for accessibility reasons, please do not book these lanes.

As a reminder, appointments are still required for the playground and the tennis courts, but the rest of the club is open for general use. The fitness center is open any time the club is open and the adult locker rooms have fully reopened. We hope to see you at the club soon!

Thank you,

Samena Staff
