

2025-2026

Before & After School Care

Samena Before & After School Care is a great place for children, ages 5-12! Children can enjoy daily snacks, swimming, homework club, and a variety of engaging activities. Our state-licensed program provides quality care in a safe and friendly atmosphere. Choose 2 – 5 days per week with options of mornings only, afternoons only, or both. Breakfast and a PM snack are served using USDA guidelines. Care *generally* follows the Bellevue School District calendar.

Philosophy: At Samena we take pride in offering a program that nurtures children through positive communication and interaction. We offer opportunities to develop new skills and encourage creative problem-solving. Samena staff are professionally trained in childcare, first aid, CPR, regularly participate in professional development, and all staff have passed background checks.

Come, learn, explore, and play!

Before School Care:

Morning care opens at 6:30am

In morning care we provide breakfast and a relaxed free play time before taking children to school.

After School Care:

Afternoon care closes at 6:30pm

An after-school snack, free-swimming on Wednesdays and Fridays, homework club, STEAM and plenty of active engagement are included in our state-licensed program where your child will receive quality care in a safe and friendly environment.
