

PRESCHOOL

...where swimming is part of the curriculum.

We take pride in offering a quality, well-rounded program that has been teaching children for more than 50 years. Our program is aimed at offering children play-based learning opportunities that foster growth in all domains of early learning with an emphasis on social and emotional development. A unique benefit to our curriculum is the inclusion of swim lessons/free swim each week. Children in our preschool program receive at least one swim lesson along with free swim 1-2x each week (depending on enrollment). Over the course of the school year, children learn crucial water safety and stroke development skills while enjoying constructive physical activity.

Tuition rates are on a monthly basis. Tuition and curriculum is based on a ten month program. Our holiday and vacation schedule closely (but not exactly!) follows the Bellevue School District calendar.

Please note: We are currently working through the licensing process and plan to offer full-day programming beginning in September, 2025. Families will be contacted ASAP should there be any change.

3-5 Year Old Program

Children must be 3 years old by August 31, 2025 and fully toilet trained to be eligible for enrollment. Our classroom maintains a 1:10 teacher to student ratio in our classroom with a teaching team that is experienced, creative and caring. Developmentally appropriate activities include: art, reading and writing skills development, number recognition, music, science, cooking, storytelling, health & exercise, Kindergarten readiness, Spanish and more.

Enrollment Options & Fees for School Year 2025/2026:

	School Hours: 9am-4pm	
	Member	Program Member
5 Days (Monday- Friday)	\$2000	\$2150
4 Days (Monday- Thursday)	\$1700	\$1850
3 Days (Monday/Wednesday/Friday)	\$1350	\$1500

Pre-K Program

Our Pre-K program is designed for children who have just missed the cutoff for kindergarten starting during the current school year, or those wanting to give their children an extra year of development to build a strong foundation before heading off to kindergarten.

Children must be 5 years old by March 31, 2026 and fully toilet trained to be eligible for enrollment. Our classroom maintains a 1:10 teacher to student ratio in our classroom with a teaching team that is experienced, creative and caring. Developmentally appropriate activities include: art, music, cooking, health & exercise, as well as advanced concepts in math, reading, phonics, and science. Our enhanced Pre-K curriculum will allow students to be more than ready to enter Kindergarten. Additionally, our Pre-K curriculum is taught in both English and Spanish!

Enrollment Options & Fees for School Year 2025/2026:
