

2026-2027

## Before & After School Care

Samena Before & After School Care is a great place for kids to actively engage with their peers in STEAM activities, games and active play! Our state-licensed program is all about creating a space where every child feels safe, supported and excited to be here. Choose 2- 5 days per week with options of mornings only, afternoons only, or both. Breakfast and a PM snack are served following USDA guidelines. Care *generally* follows the Bellevue School District calendar.

***Due to time necessary to transition to and from our Summer Camp program and ensure the best experience possible for families and students, the first day of care will be Tuesday, September 8<sup>th</sup>, and the last day of care will be Wednesday, June 23<sup>rd</sup>.***

**Philosophy:** At Samena we take pride in offering a program that nurtures children through positive communication and interaction. We offer opportunities to develop new skills, navigate social interactions with support, and build confidence- all while enjoying simply being a kid. Samena staff are professionally trained in childcare, first aid, CPR, regularly participate in professional development, and all staff have passed background checks.

Before School Care:

Morning care opens at 6:30am

In morning care we provide breakfast and a relaxed free play time before taking children to school.

After School Care:

Afternoon care closes at 6:30pm

An after-school snack, free-swimming (Wednesdays and Fridays), homework help (as needed), DND group (grades 3-5), STEAM activities, and plenty of active engagement are included in our state-licensed program where your child will receive quality care in a safe and friendly environment.
